NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o $500,000 in death benefits
  - o $200,000 in cash surrender or withdrawal values
- Health Insurance
  - o $500,000 in hospital, medical and surgical insurance benefits
  - o $500,000 in long-term care insurance benefits
  - o $500,000 in disability income insurance benefits
  - o $500,000 in other types of health insurance benefits
- Annuities
  - o $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

For purposes of determining whether a Disability is the direct result of an accidental injury, the Disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

If You are Disabled and have received a Monthly Benefit for 12 months, We will adjust Your Predisability Earnings only for the purposes of determining whether You continue to be Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:

We will add to Your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times the lesser of:
  - 10%; or
  - the annual rate of increase in the Consumer Price Index for the prior calendar year.

Annually thereafter, We will add an amount to Your adjusted Predisability Earnings calculated by the method set forth above but substituting Your adjusted Predisability Earnings from the prior year for Your Predisability Earnings. **This adjustment is not a cost of living benefit**.

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

Elimination Period means the period of Your Disability during which We do not pay benefits. The Elimination Period begins on the day You become Disabled and continues for the period shown in the SCHEDULE OF BENEFITS.

   - The end of the eligible leave period required under the FMLA or other similar legally mandated leave of absence law,

You will not have to complete a new Waiting Period or provide evidence of Your insurability.

3. In all other cases where Your insurance ends because the required premium for Your insurance has ceased to be paid, You will be required to provide evidence of Your insurability.

If You become insured again as described in either item 1 or 2 above, the limitation for Pre-existing Conditions will be applied as if Your insurance had remained in effect with no interruption.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE

To prevent a loss of insurance because of a change in insurance carriers, the following rules will apply if this Disability Income Insurance:

- replaces a plan of group disability income insurance provided to You by the Employer; or
- replaces a Prior Plan of group disability income insurance provided to You by a former employer; when the replacement results from the Employer's acquisition of, merger with or other combination with that employer.

Prior Plan means the plan of group disability income insurance provided to You by the Employer through another carrier on the day before the Replacement Date.

Replacement Date means the effective date of the Disability Income Insurance under the Group Policy.

Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are <u>not</u> Actively at Work on such date because you are Disabled, and the Prior Plan that You were covered under on the day before the Replacement Date was an insured plan**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date. However, if the Prior Plan that You were covered under on the day before the Replacement Date was a self-funded plan, You will become insured for Disability Income Insurance under this certificate on the date You return to Active Work.

  We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

  Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

  Benefit payments for such Disability will end on the earliest of:

  - the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
  - the date that payments would have ended under the provisions of the Prior Plan of Insurance.

- **If You are <u>not</u> Actively at Work on such date for any other reason,** You will become insured for Disability Income Insurance under this certificate on the date you return to Active Work, provided however, if You are on a Employer approved leave of absence on the Replacement Date, You will become insured for Disability Income Insurance on the Replacement Date. However, Your insurance under this certificate will end on the date Your approved leave of absence ends if You do not return to Active Work on such date.

Rules for When Insurance Takes Effect if You were <u>Not</u> Insured Under the Prior Plan on the Day Before the Replacement Date:

- You will be eligible for Disability Income Insurance under this certificate when you meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)

Rules for Temporary Recovery from a Disability under the Prior Plan

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan ("Prior Plan's disability");
- returned to Active Work as an employee for 18 hours or more per week prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan's disability;
- are no longer entitled to benefit payments for the Prior Plan's disability since You are no longer insured under such Plan; and
- would have been entitled to benefit payments with no further elimination period under the Prior Plan, had it remained in force.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Employer for information regarding such legally mandated leave of absence laws.

EVIDENCE OF INSURABILITY

No evidence of insurability is required for the insurance described in this certificate.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Monthly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews or functional capacity exams, as needed.

While You are Disabled, the Monthly Benefit described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Monthly Benefit one month after the date benefits begin to accrue. We will make subsequent payments monthly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each month and will be pro-rated for any partial month of Disability.

We will pay Monthly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

While You are receiving Monthly Benefits, You will not be required to pay premiums for the cost of any disability income insurance defined as Contributory Insurance.

RECOVERY FROM A DISABILITY

If You return to Active Work, We will consider You to have recovered from Your Disability.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group long term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

for Option 1 - 180 Day Elimination Period Plan:

If You return to Active Work before completing Your Elimination Period for a period of 30 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. We will count those days towards the completion of Your Elimination Period.

If You return to Active Work for a period of more than 30 days, and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work only includes those days You actually work.

for Option 2 - 90 Day Elimination Period Plan:

If You return to Active Work before completing Your Elimination Period for a period of 15 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. We will count those days towards the completion of Your Elimination Period.

If You return to Active Work for a period of more than 15 days, and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work only includes those days You actually work.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after completing Your Elimination Period for a period of 180 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

If You return to Active Work for a period of more than 180 days and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work includes all of the continuous days which follow Your return to work for which You are not Disabled.

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Monthly Benefit by an amount equal to 10% of the Monthly Benefit. We will do so before We reduce Your Monthly Benefit by any other income.

Work Incentive

While You are Disabled, We encourage You to work. If You work while You are Disabled and receiving Monthly Benefits, Your Monthly Benefit will be adjusted as follows:

- Your Monthly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Monthly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Monthly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Monthly Benefit will not apply.

Limit on Work Incentive

After the first 24 months following Your Elimination Period, We will reduce Your Monthly Benefit by 50% of the amount You earn from working while Disabled.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to $400 for monthly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
  - living with You as part of Your household;
  - dependent on You for support; and
  - under age 13.

  The child care provider may not be a member of Your immediate family.

- care to Your family member who is:
  - living with You as part of Your household;
  - chiefly dependent on You for support; and
  - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a monthly basis starting with the first Monthly Benefit payment until You have received 24 Monthly Benefit Payments. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

Moving Expense Incentive

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

1. any disability or retirement benefits which You, Your Spouse or child(ren) receive because of Your disability or retirement under:
   - Federal Social Security Act;
   - Railroad Retirement Act;
   - any state, public or federal employee retirement or disability plan. You must apply for such benefits through the highest appeal level that is applicable to such benefits and available under the plan; or
   - any pension or disability plan of any other nation or political subdivision thereof.
2. any income received for disability or retirement under the Policyholder's Retirement Plan, to the extent that it can be attributed to the Policyholder's contributions.
3. any income received for disability under:
   - a group insurance policy to which the Policyholder has made a contribution, such as:
     - benefits for loss of time from work due to disability;
     - installment payments for permanent total disability;
   - a no-fault auto law for loss of income, excluding supplemental disability benefits;
   - a government compulsory benefit plan or program which provides payment for loss of time from Your job due to Your disability, whether such payment is made directly by the plan or program, or through a third party;
   - a self-funded plan, or other arrangement if the Policyholder contributes toward it or makes payroll deductions for it;
   - any sick pay, vacation pay or other salary continuation that the Policyholder pays to You;
   - workers' compensation or a similar law which provides periodic benefits;
   - occupational disease laws;
   - laws providing for maritime maintenance and cure;
   - unemployment insurance law or program.
4. any income that You receive from working while Disabled to the extent that such income reduces the amount of Your Monthly Benefit as described in REHABILITATION INCENTIVES. This includes but is not limited to salary, commissions, overtime pay, bonus or other extra pay arrangements from any source.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above, and We do not know the amount of the single sum payment, We will suspend Your Disability benefit. We will notify You in writing when We suspend such benefit.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS, or by:

- cost of living adjustments that are paid under any of the above sources of Other Income;
- reasonable attorney fees included in any award or settlement. If the attorney fees are incurred because of Your successful pursuit of Social Security disability benefits, such fees are limited to those approved by the Social Security Administration;
- group credit insurance;
- mortgage disability insurance benefits;
- early retirement benefits that have not been voluntarily taken by You;
- veteran's benefits;
- individual disability income insurance policies;
- benefits received from an accelerated death benefit payment; or
- amounts rolled over to a tax qualified plan unless subsequently received by You while You are receiving benefit payments.

SUSPENSION OF DISABILITY BENEFITS

If there is a reasonable basis to apply for benefits, We expect You to apply for them:

- Federal Social Security Act;
- Railroad Retirement Act;
- any state or public employee retirement or disability plan;
- any pension or disability plan of any other nation or political subdivision thereof; or
- workers' compensation or a similar law which provides periodic benefits.

To apply for the above benefits means to pursue such benefits until You receive an approval from the above named sources, or

- for Social Security benefits, a notice of denial of benefits from an administrative law judge, or
- for any of the other benefits specified above, a notice of denial of benefits establishing that all levels of administrative appeal have been exhausted.

If Your application for such benefits is approved, We will reduce Your Disability benefit by the amount You receive from such source(s).

We will suspend Your Disability benefit payments unless We receive proof that You are in the process of applying for such benefits. We will notify You in writing when We suspend Your Disability benefit payments. If, within 90 days of the date of Our notice, We do not receive proof that You have applied for the above benefits, We will pay the Minimum Benefit shown in the SCHEDULE OF BENEFITS.

DISABILITY INCOME INSURANCE: DATE BENEFIT PAYMENTS END

Your Disability benefit payments will end on the earliest of:

- the Group Policy is amended to change the plan of benefits for Your class.

ADDITIONAL LONG TERM BENEFIT: RETIREMENT PLAN CONTRIBUTIONS

If You are:

We will pay the Retirement Plan Contributions Benefit.

BENEFIT AMOUNT

The amount We pay will be an amount equal to the Employer's contribution on Your behalf into a Reform Pension Board Pension Plan each month not to exceed 15% of Your total salary and parsonage.

The amount We pay is subject to all applicable federal and state laws and regulations.

BENEFIT PAYMENT

We will pay this additional benefit, on Your behalf, to Your account under a Qualified Retirement Plan each month, starting with the seventh month following the date of Your Disability, provided that You are receiving Monthly Benefits under this certificate for each such month.

We will not pay this benefit:

- beyond the date on which You begin to receive benefits under a qualified retirement plan; or

- the date You cease to satisfy the requirements set forth in the first paragraph above.

For the purpose of this benefit, any plan which is not a Qualified Retirement Plan under applicable state and/or federal law will not be included.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: COST OF LIVING ADJUSTMENT

If You have been receiving Monthly Benefits under this certificate, We will adjust Your benefit amount on the date following the date the 12th Monthly Benefit is payable. As limited by the Maximum Benefit Period, further adjustments will take effect on each anniversary of the first adjustment.

The adjustments do not apply to amounts We pay under this certificate for Rehabilitation Incentives or any Additional Benefits shown in the Schedule of Benefits.

BENEFIT AMOUNT

To calculate Your cost of living adjustment, We will multiply the amount of Your Monthly Benefit by the lesser of:

- the annual percentage change in the Consumer Price Index for the prior calendar year; or
- 6%.

We will add this amount to each subsequent Monthly Benefit payment.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: MONTHLY PAYMENT IN THE EVENT OF YOUR DEATH

If You die while You are Disabled and You were entitled to receive Monthly Benefits under this certificate, Proof of Your death must be sent to Us. When We receive such Proof, We will pay the additional monthly benefit described in this section.

BENEFIT AMOUNT

The additional monthly benefit will be equal to 100% of the lesser of:

- the Monthly Benefit You receive for the calendar month immediately preceding Your death;
- the Monthly Benefit You were entitled to receive for the month You die, if You die during the first month that Monthly Benefits are payable.

We will reduce the benefit amount by any overpayment We are entitled to recover.

BENEFIT PAYMENT

We will pay this additional benefit monthly for a period of 12 month(s). Payments will begin one month after the date of the last Monthly Benefit payment before Your death.

Benefit payments will be made as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: ALTERNATIVE BENEFIT PAYMENT OFFER, AT OUR OPTION

If We approve Your claim for benefits under this certificate in accordance with the Long Term Benefit provisions of this certificate, We may offer to pay You a Disability benefit in the form of a lump sum benefit payment as an alternative to the Monthly Benefit payments described in the DISABILITY INCOME INSURANCE: LONG TERM BENEFITS provision of this certificate. If We determine on the basis of objective criteria applied to the particular facts and circumstances of Your claim that a lump sum payment is an appropriate option for Us to offer to You, We will make an offer of a lump sum payment to You. If You accept Our offer in Writing, Signed by You, and We make such lump sum benefit payment to You, no further Disability benefit payments will be made to You under this certificate. If You do not accept Our offer of a lump sum benefit payment, We will continue to administer Your claim in accordance with the terms and conditions of this certificate.

DISABILITY INCOME INSURANCE: PRE-EXISTING CONDITIONS

Pre-existing Condition means a Sickness or accidental injury for which You:

- received medical treatment, consultation, care, or services; or
- took prescribed medication or had medications prescribed;

in the 3 months before Your insurance under this certificate takes effect.

We will not pay benefits for a Disability that results from a Pre-existing Condition until You have been insured for 12 consecutive months after the date Your Disability insurance takes effect under this certificate.

In determining whether a Disability is due to a Pre-existing Condition, if within 60 days of the date this insurance takes effect You were covered under another plan providing group disability coverage, We will credit You for any time You were covered under such plan.

We will make any benefit payments during Your lifetime to You or Your legal representative. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving Beneficiary at Your death, We will pay any benefit that is or becomes due, according to the following order:

1. Your Spouse, if alive;

3. Your estate, if there is no such surviving child.

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

How We Recover Overpayments

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable, but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return-to-Work Services

As a covered employee you are automatically eligible to participate in our Return-to-Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.
There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. **Vocational Analyses**

   Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. **Labor Market Surveys**

   Studies to find jobs available in your Local Economy that would utilize your abilities and skills. Also identify your earning potential for a specific occupation.

3. **Retraining Programs**

   Programs to facilitate return to your previous job, or to train you for a new job.

4. **Job Modifications/Accommodations**

   Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

   This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. **Job Seeking Skills and Job Placement Assistance**

   Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists
In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.

Social Security Assistance Program

If your claim for Disability benefits under this plan is approved, MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability.
There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. **Avoids Reduced Retirement Benefits**

   Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. **Medicare Protection**

   Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. **Trial Work Period**

   Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. **Cost-of-Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits**

   MetLife will not decrease your Disability benefit by the periodic cost-of-living increases awarded by Social Security. This is also true for any cost-of-living increases awarded by Social Security to your spouse and children.

   This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

   a) an error by Social Security in computing the initial amount;
   b) a change in dependent status; or
   c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

   Over a period of years, the net effect of these cost-of-living increases can be substantial.

SPECIAL SERVICES

How MetLife Assists You in the Social Security Approval Process

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

2. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provides expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

a) Reconsideration by the Social Security Administration

b) Hearing before an Administrative Law Judge

c) Review by an Appeals Council established within the Social Security Administration in Washington, D.C.

d) A civil suit in Federal Court.

3. Social Security Attorneys

Depending on your individual needs, MetLife may provide a referral to an attorney who specializes in Social Security law. The Social Security approved attorney's fee is credited to the Long Term Disability overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney's fee, which is capped by Social Security law, will be deducted from the lump sum Social Security Disability benefits award and will not be used to further reduce your Long Term Disability benefit.

Early Intervention Program

The MetLife Early Intervention Program is offered to all covered employees, and your participation is voluntary*. The program helps identify early those employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability benefits. Early rehabilitation efforts are more likely to reduce the length of your Long Term Disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your employer will notify MetLife. Our Clinical Specialists may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier,* workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).
6. Providing analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities. This program also includes modifications to help you perform your job or a similar job as required of your employer under the Americans with Disabilities Act (ADA). It also includes an on-site ergonomic evaluation of work conditions to assist you in returning to work. If MetLife agrees that job modifications are likely to help you remain at work or return to work we may also agree (with your consent) to reimburse your

employer for the cost of such modifications up to an amount agreed to between MetLife and your employer.

Our assistance is offered at no cost to either you or your employer.

* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your employer is not necessary.
